

ARLINGTON VENEER

Updated classic design elements come together to create an exceptionally handsome, refined look that is Arlington. A multi-step, Medium Walnut finish showcases expertly proportioned base, waist and crown moldings, angled corners, framed pilasters and pewter finished hardware. Tops are adorned with Marquetry veneer pattern along with decorative walnut veneers with ebony accents to polish off the style.

Tops

Tops are constructed of wood and veneer on wood product and detailed with decorative walnut inlaid veneer and ebony and walnut banding with an NC lacquer finish.

Construction

Constructed of wood and wood veneers, featuring solid wood bases, shaped moldings and pilasters in a Medium Walnut finish.

Cases feature mortise and tenon construction with wood cleats, glue, screws, staples and threaded inserts with bolts.
